

St Peter's School/Lincoln University
Demonstration Dairy Farm

A day on the farm

Owl Farm Public Open Day

Saturday 9 March, 9.15am–1pm

A day on the farm with lots of activities for you to experience.

- Explore the ways we are working to protect the environment;
- Everyone can change water quality! Join our Community planting event, help us grow plants to protect waterways.
- Meet our cows and some really friendly calves.
- See cows being milked throughout the day.
- See what it takes to prepare a gourmet meal for cows

Plus loads more...

Free Admission - All Welcome!

Free sausage sizzle and ice-creams

Coffee available to purchase

This day promises to be fun for the whole family so chuck on your gummies and come along for what will be an awesome day down on the farm.

St Peter's School/Lincoln University
Demonstration Dairy Farm

A day on the farm

Owl Farm Public Open Day

Saturday 9 March, 9.15am–1pm

**Owl Farm is located at St Peter's Cambridge,
1716 Cambridge Road, Cambridge.**

Once on campus, signage will direct you to parking areas and the event location.

The Open Day is family friendly and we want to see as many of you on farm as possible, so don't be shy, come along and ask all those dairy farming questions you've always pondered!

Owl Farm is the only North Island Demonstration Dairy farm and is the product of a Joint Venture between St Peter's School, Cambridge and Lincoln University. Owl Farm is committed to demonstrating a sustainable profitable future within dairy farming. We provide genuine educational opportunities and exposure to career pathways within the primary industries to our next generation. We achieve this through working closely with our industry partners Opus, LIC, PGG Wrightson Seeds, DairyNZ, Ballance Agri Nutrients, Fonterra Farm Source and Westpac.

For any further information regarding the day please feel free to contact

Louise Cook on +64 7 827 9817

**We hope you can join us and look forward to seeing you on
Saturday 9 March, 9.15am–1pm.**
